Seven York community members, including five alumni, invested into the Order of Ontario

One of the province's highest honours, the Order of Ontario recognizes leaders who have demonstrated the highest level of excellence in their fields and contributed to building a stronger province and world. Read more.

Grad's research paves way for smarter crisis response

Tricia Corrin (MDEM '24) examines how Canada adapts to urgent decision-making challenges and how evidence is used in public health emergencies. Read more.

Survey reminder: share your student experience

Conducted in partnership with Dr. Femida Handy, Associate Professor Emeritus and Senior Scholar, Faculty of Environmental and Urban Change and Professor, University of Pennsylvania, this research will explore the relationship between the student journey and ongoing alumni engagement. Participate in the survey.
